BUDGET DISCUSSION

All members present went through the budget for the FY Beginning April 1, 2025 through March 31, 2026. The members present went through every line item on the budget.

Attention was called to an increase in workers' comp insurance due to the increase in payroll, and it should be adjusted. Also noted that a \$1.00 per hour raise will be given to all members on shift duty. Lastly that the purchase of a new Ambulance was approved at the 5/12/22 Board Meeting and the Ambulance was ordered 5/18/2022. Our estimated delivery date is 10/2025 so this purchase needs to be documented in the budget. Attorney Cainkar's office will be notified of the above changes.
